TRIVIA NIGHT

2019 Oklahoma Interviewing Service, LLC

OIS began providing mobile forensic interviewing services in 2015 to the abused children of Oklahoma. Many of these abuse victims and their families do not live near a Child Advocacy center. They must travel significant distances at great personal expense to receive critical interviewing services. OIS provides well trained, bilingual, forensic interview professionals to help children and families deal with the issues and trauma caused as a result of the abuse of a child. Also provided is a mobile facility that is private and comfortable. We sever Oklahoma children and families state wide at no cost.
